Opportunities in College

- The difference between 11-12th and College Life
- Why you should be a part of college club or committee ?
- Things you can explore -
 - ACES
 - Robotics Club
 - EDC
 - Art's Circle
 - OSDG
 - Japanese Language
 - DSC
 - VLABS
 - TEDx
 - Department Level Committees

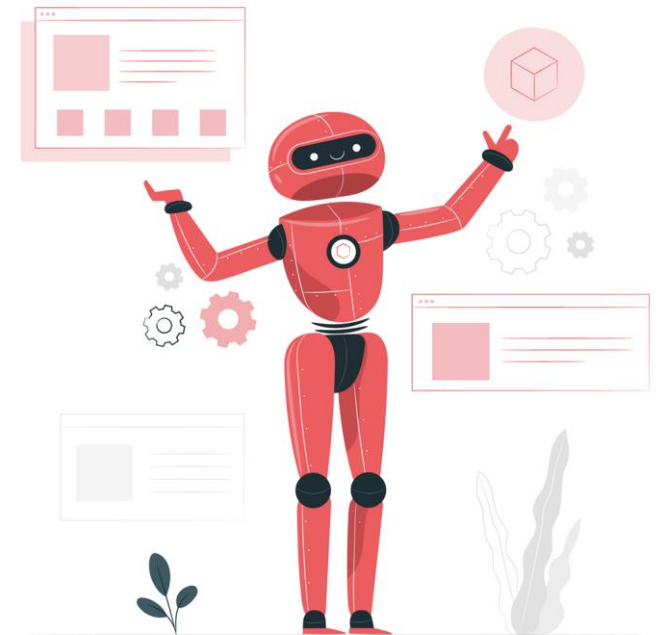

ACES (Association of Computer Engineering Students) - A computer department student organization, which conducts tech and non-technical workshops for students.

- Team Structure (GS, JGS, Teams such as Tech, Web, Design, Editorial, Notification, Treasury, Management)
- Workshops we conduct (Android Development, UI/UX, CODE MODE. Genesis)
- Who are ACES Members?
- Blogs, Magazine, Insta Activity
- Interview Process
- Team Bonding Activities
- Advantages of being part of ACES
- Insta - @acespvg (FOLLOW FOR ALL THE UPDATES)

Robotics Club - A club for people who are interested in Robotics. People from all the branches and years can be a part of this club.

- Role of each department student, Interdisciplinary work
- Robocon - International Robotics Event
- Interview process to be a part of Robocon Team.
- Other competitions that Robotics Club takes part in - COEP's MindSpark, CME's Robotics Competition, etc.
- Timing of the Club
- Benefits of joining Robotics Club
- Insta - pvg_robotics_club

EDC (Entrepreneurship Development Cell) - Works to inculcate the values of entrepreneurship within young minds.

- Sectors (Sponsorship, Event Management, Contacting and PR, Documentation, Tech, etc)
- Represents at National level Entrepreneurship Challenge at IIT Bombay.
- Thrust Talks - A video podcast series with young entrepreneurship.
- A grand event called EDC Thrust at the end of the year (Workshops, Entertainment and fun Activity)
- Interviews (Would happen in this month)
- Insta - @edc_pvg

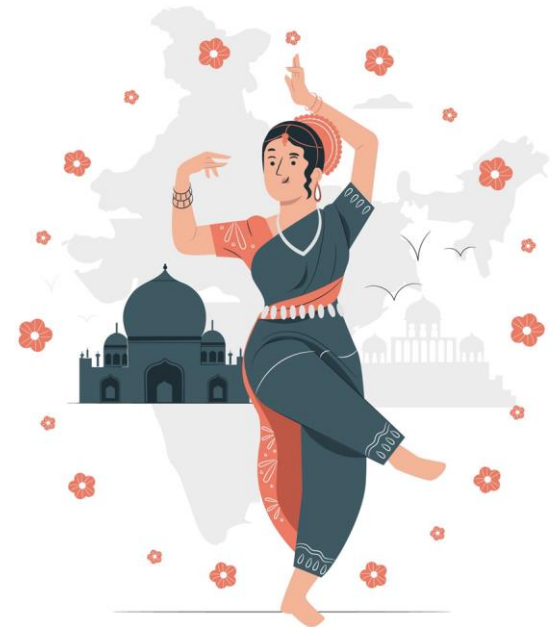

PVG's Art's Circle - A chance to explore your creative side and perform on stage! Open to all the branches and years

- Department (Writing, Direction, Dance, Acting, Backstage, Designing, etc)
- Main Events (Purushottam Karandak, Firodiya Karandak)
- Selection Process
- Benefits
- Insta - @pvgartscircle

OSDG (One Soul Dance Group) - Dance community of our college that participates in intercollege cultural events. Have won Sinha Karandak, Kirloskar Karandak, and many more..

- How to get selected?
- Team Size
- For more details, drop a message on - @one_soul_dg (Instagram)

Japanese Language Classes - Learn a foreign language and get placed in a Japanese Company. Students can enroll in the classes right from FE! The earlier the better!

- When to join? (Jan and June)
- Hirameki Classes (Insta - hiramekiclassses)
- Exams (5 levels of Japanese Language)
- Fees (10k for N5 Level, 5k for N4 and N3)
- Placements, Interview Process
- Benefits of learning a foreign language

DSC - Developers Student Club backed by Google is a platform for students to learn various technologies.

- You can see DSC as an opportunity to work together with students from various branches.
- Sessions, events and activities to upskill yourself and learn more technologies
- DSC PVGCOET completed 20+ events in this academic year engaging 1000+ students.
- You can earn swags from google as well!! (stickers, goodies, bags, shirt, hoodies)
- Teams - Event Mgmt, Technical, Design, Editorial
- Interview process

Insta - @dscpvgcoet Podcast -VERBOSELOG

VLABS - Virtual Labs is another community for students of PVG who want to learn and excel in coding.

- Trainings provided
- Various projects and internships undertaken by VLABS PVG
- Hardwork and Dedication
- Certification from IITB
- Interview Process

<http://vlabs.iitb.ac.in/vlab/>

TEDx -

- T - Technology E - Entertainment D - Design x - independently conducted events by communities
- This is a non technical club where in we bring speakers, artists who have done something innovative to present their ideas to the audience with the purpose of sharing their perspectives
- Our Grand Event - YouTube TEDxPVGCOET
- Teams - Curation,Marketing/Sponsorship,Event Mgmt,Tech,Design
- Interview Process - Application form, GD, PI
